

**Mechanical Engineering Senior Design Project  
Sponsor Application**

**1. Project title**

**2. Objectives**

**3. Description**

**4. Deliverables**

**5. Please indicate the timeframe (August – May or January – December)**

- A sponsorship fee, to be given as a gift donation, is expected for access to the capstone senior design projects and facilities. The expected donation per project is \$5,000. Please see instructions on following page.
- The material costs for the project are additional to the donation and to be determined separately.

### **Giving to San Diego State University**

The Campanile Foundation is the philanthropic arm of San Diego State University, responsible for receiving and managing gifts benefiting the University. Incorporated as a 501(c)(3) tax-exempt corporation in August 1999, the foundation has worked tirelessly to supplement state budgets where needed in order to enhance and increase philanthropic support.

Please make check payable to The Campanile Foundation at SDSU and include "C00200 Mechanical Engineering Department" in the memo.

The Campanile Foundation  
Attn: Gift Administration  
5500 Campanile Drive  
San Diego, CA 92182-1968

The donation may also be made at the following secure website: <https://securelb.imodules.com/s/997/20/giving/form.aspx?sid=997&gid=1&pgid=3034&dids=264&bled-it=1>  
Enter "C00200 Account" in the "Other Designation" box.

Note: Once you have made the donation, please let Dr. John Abraham and/or Selena Jarin know with an email.
