

## Criteria for Transfer to Pre-Major Status in Mechanical Engineering from another Pre-Major or Undeclared Status

If you are not in pre-major status in Mechanical Engineering and would like to be considered for transfer to pre-major status in the department, you must satisfy the following requirements:

1.	You must have completed a minimum of 24 units at SDSU. These units must count toward the requirement for the BSME or BSME with bioengineering emphasis degrees.	
	Units taken toward the major:	<u> </u>
2.	You must have a minimum GPA of 3.0.	
	GPA:	
3. You must have completed MATH 150, MATH 151, PHYS 195, CHEM 200/202 at SDSU and received at least a minimum of B		
	Prep Courses	<u>Grade</u>
	MATH 150: Calculus I	
	MATH 151: Calculus II	
	PHYS 195: Principles of Physics	
	<b>PHYS 196:</b> Principles of Physics <i>OR</i>	
	CHEM 202/CHEM 200: General Chem/Ge	eneral Chem for Eng.
4.	Have no more than 15 units on your Degree Audit which do not count toward the BSME.	
	Maximum units on Degree Audit which do	o not count toward BSME:
5.	5. You must <b>not have more than 60 units</b> on your Degree Audit.	
	Total units on Degree Audit	
6.	You must not have any course retakes on your Degree Audit.
