

Criteria for Change of Pre-Major to Mechanical Engineering

If you are not in pre-major status in Mechanical Engineering and would like to be considered for transfer to pre-major status in the department, you must satisfy the following requirements:

1. You must have completed **a minimum of 24 units at SDSU**. These units must count toward the requirement for the BSME or BSME with bioengineering emphasis degrees.

Units taken toward the major: _____

2. You must have **a minimum GPA of 3.0**.

GPA: _____

3. You must have **completed MATH 150, MATH 151, PHYS 195, and either PHYS 196 or CHEM 200/202 at SDSU** and received at least **a minimum of B grade in each course**.

Prep Courses

Grade

MATH 150: Calculus I

MATH 151: Calculus II

PHYS 195: Principles of Physics

PHYS 196: Principles of Physics

OR

CHEM 202/CHEM 200: General Chem/General Chem for Eng.

Your Name: _____ Your RedID: _____

Current pre-major/undeclared: _____
