SAN DIEGO STATE UNIVERSITY'S MECHANICAL ENGINEERING DEPARTMENT PRESENTS:

Fall 2019 Senior Design Day

TUESDAY, DECEMBER 10TH, 2019
2:00PM - 5:00PM
MONTEZUMA HALL,
CONRAD PREBYS AZTEC STUDENT UNION
ALL ARE WELCOME!

Project Team Names
Adaptive Control Panel
Assistive Technology Art Desk
Automated Aircraft Fuel Cutoff
Automated Lawn Mower
Automation of Compressor Inlet Airflow Test Process
Beta Bins: Ocean Plastic Compaction System
Calibration Frame for Bicycle Testing Machines
Conveyor Belt Test Bed System
Drone Battery Swapping Mechanism
Eco-friendly Alternative to Polyurethane Surfboards
Electrode Processing Optimization
Gear Efficiency Test Rig
Hologic Bottle Cap Torquing System
Insta-Tree: Portable Food Storage Structure
Low Current Hydrokinetic Turbine
Lower Body Exoskeleton
Micro Tensile Tester
Plastics Re-purposing System
Polyurea Foam Spray Machine
Pre-Flight Electric Rotator for Gyroplanes
Stereolithographic 3D Printing Biomaterial
TIM Wind Turbine Blades
Underwater Self-Burying Robot
Variable Length Intake System
