LECTURER POSITION OPENINGS IN MECHANICAL ENGINEERING

Minimum Qualifications: An M.S. in Mechanical Engineering and a minimum of 5 years of professional engineering practice. The candidate must demonstrate a strong commitment to effective teaching in one of the following areas at the undergraduate program level: computer-aided design, computational methods, materials, manufacturing, mechanics, mechanical design, and thermofluids. Candidates who have the ability to develop and supervise hands-on projects for the senior design culminating experience are especially invited to apply. Demonstrated proficiency in both written and oral communication in English is required. Applicants must demonstrate a commitment to working with a diverse student population. Active and effective participation in curriculum development, assessment and accreditation, and other departmental activities as well as participation in professional and student organizations (e.g., ASME, ASEE) are normative expectations.

At the time of appointment, the successful candidate, if not a U.S. citizen, must have authorization from the Bureau of Citizenship and Immigration Services to work in the United States.

Evidence of degree(s) awarded is required at time of hire.

Inquiries and applications should be addressed to:
Dr. John Abraham, Professor and Chair
Department of Mechanical Engineering
San Diego State University
San Diego, CA 92183-1323
Email: jabraham@mail.sdsu.edu; Tel. (619) 594 2450

A curriculum vitae and a list of 3 references is required.

General Information:
SDSU is a large, diverse, urban university and Hispanic-Serving Institution with a strong commitment to diversity, equity, and inclusive excellence. Our campus community is diverse in many ways, including race, religion, color, sex, age, disability, marital status, sexual orientation, gender identity and expression, national origin, pregnancy, medical condition, and covered veteran status. We strive to build and sustain a welcoming environment for all.
